SYNTHETIC TRAINING RECORD — NOT FILED — DOCKETING NOTICE PAGE 2

The ordinary March 19, 2026 fourteen-day date is stated for initial documents triggered by this notice. The transcript decision has an independent trigger fourteen days after the March 3 notice of appeal; its ordinary date is March 17, 2026.

The clerk may require correction of a deficient submission and may take action permitted by FRAP 3(a)(2) for failures other than the timely notice. Nothing in this notice decides appellate jurisdiction.

The parties must identify the basis for a purported Rule 54(b) final judgment in their docketing materials. The Court may examine its jurisdiction on its own initiative.
