ADVICE**

UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF VIRGINIA
Richmond Division — Civil Action No. SYN-EDVA-25-CV-0412

FINAL JUDGMENT

Entered December 19, 2025.

For the reasons stated in the memorandum opinion entered this date, Blue Cedar Compliance, Inc.'s motion for summary judgment is GRANTED. Judgment is entered in favor of Blue Cedar Compliance, Inc. and against Leora Benton on Count I, the sole claim asserted in the complaint. Benton shall take no relief on that claim in this civil action. This judgment does not make a finding that Blue Cedar's calibration process was ideal, that every comparator difference was material, or that any witness gave false testimony. It reflects the Court's determination that the admitted summary-judgment record does not permit the required finding of but-for retaliation.

The Court's December 1 use ruling remains in effect according to its terms. That ruling excluded only the materially new subject and declaration identified there and preserved the timely disclosed comparator evidence. No claim, counterclaim, request for merits relief, or party remains for adjudication. This document is entered separately from the memorandum opinion as the final judgment resolving the action.

Costs, closure, and notice of entry

Blue Cedar may submit a bill of taxable costs within the time allowed by the governing rules. This judgment makes no present award of attorney's fees, sanctions, or nontaxable expenses. Nothing in the judgment alters the parties' duties concerning confidential information, retained discovery material, or preservation of the record. Any request concerning costs must be directed to the Clerk in the ordinary course and will not reopen the merits absent an order of the Court.

The Clerk is DIRECTED to enter this judgment on the civil docket, transmit notice of entry to all counsel of record through the court's electronic filing system, terminate the pending summary-judgment motion, cancel the January 26, 2026 jury trial and associated pretrial deadlines, and close the case. The memorandum opinion and this separate judgment are entered on Friday, December 19, 2025. The docket shall preserve the filing times and the relationship between the opinion and judgment. It is so ORDERED by the United States District Court for the Eastern District of Virginia, Richmond Division.
