

SYNTHETIC APPELLATE DOCKET — NOT FILED — ALL FACTS AND IDENTIFIERS
ARE FICTIONAL

UNITED STATES COURT OF APPEALS FOR THE FOURTH CIRCUIT

APPELLANT NOTICE THAT NO REPLY BRIEF WILL BE FILED

Appellant Leora Benton gives notice that she will not file a reply brief in No. SYN-CA4-26-CV-4101. Benton filed her opening brief on March 16, 2026, and Blue Cedar Compliance, Inc. filed its response brief on April 15, 2026. Those two accepted principal briefs address both issues identified in the record-complete and briefing order: the narrow exclusion of the late Wynn declaration and summary judgment on the admitted retaliation record.

Benton rests on the opening brief's distinction between material reviewable solely to test the Rule 37 ruling and evidence available on the merits. She does not withdraw either issue, concede any factual characterization in the response, or enlarge the relief requested. This notice simply waives the optional reply and permits the clerk to treat the required brief inventory as complete. Counsel electronically filed and served this notice on counsel for Blue Cedar on April 17, 2026.
