Leora Benton v. Blue Cedar Compliance, Inc.

No. SYN-CA4-26-CV-4101-CF-NEVER-OCCURRED

Counterfactual Clerk Order Releasing Shortened Mandate

Entered June 22, 2026.

The court today granted the parties' joint motion to shorten the mandate period and set June 22, 2026 as the issuance date. The docket contains no rehearing petition, stay request, or later order withholding issuance. In accordance with the shortening order, the clerk RELEASES mandate for immediate issuance today.

The clerk shall transmit the June 15 opinion and judgment with the separately entered mandate to the United States District Court for the Eastern District of Virginia. The transmitted disposition affirms the narrow exclusion of Tessa Wynn's late declaration, vacates summary judgment on Benton's Title VII retaliation claim, and remands for further proceedings consistent with the opinion. This release order concerns the authorized timing only; it adds no factual finding or merits instruction. Electronic notice shall be served on counsel for Benton and Blue Cedar, whose joint motion supplied the basis for shortening.
